Welcome Address to Freshmen in the ILC 2019

On behalf of all the junior and senior students of the International Language Course of Yokohama Hayato High School, I sincerely would like to welcome all of you.

Today is the day of excitement, and maybe of anxiety for most of you. You will be facing an enormous change in your life, which might bring a lot of nervousness to you. However, the teachers, junior and senior students will have your back!

Your new life here that is about to begin involves a set of challenges, encounters, new knowledge, but it will fill you with joy and strength! In the ILC, you will discover and experience very exciting events. For example, we have the inside speech contest and outside contests, the volunteer activities that may bring you and your senpais very close, and saving the best for last, the Canada school trip, where you will learn about multiculturalism, and make some great memories with your host family, CAs and classmates.

I joined the ILC in summer 2017. I had lived in Mexico for 10 years, so starting high school in a country which is culturally very different from where I used to live, made me very anxious. I was worried about the classes, and whether I was going to get along with my classmates and teachers. However, because of the friendly atmosphere of the school, I got along with the teachers and classmates in a couple of days, and also made several friends who helped me with the classes.

Here in the ILC, we have great teachers, both native English speakers and Japanese, who not only teach you subjects, but also support and advise students to pursue their goals. Moreover, there are students from different backgrounds who may make your high school life fun and interesting. I feel that this course has helped me improve my English and have a broader perspective on internationalization, which I believe will be the same for you.

Maybe my words are not of much help to relieve your nervousness, but I really do think that you will enjoy your school life in Hayato as I do now.

I hope that your next three years are filled with great happiness and accomplishments. I wish you all the best today and from now on in the International Language Course, the ILC. Thank you.

国際対面式（４月１２日） 今年も上級生と１年生が初めて交流する「ＩＬＣ対面式」が行われました。新入生は１４７人。緊張の面持ちで入場してきた新入生は「Welcome to ILC!!!」の言葉で迎えられて、皆ちょっと照れた様子でした。ＩＬＣの先生方の紹介などを行い、恒例の「ＩＬＣビンゴ」を行ううちにだんだんとうち解けていきました。ＩＬＣファミリーによこそ！

拍手の中、新入生

ＩＬＣビンゴで上級生と下級生の距離が
ちょっとだけ縮まったかな？

<１年生の感想から>

●入場したとたんに歓迎してくれ、国際が family と呼ばれている意味が分かりました●先輩達が仲が良く楽しそうにしている、国際語科に入って良かったと思いました●一緒にゲームをすることでコミュニケーションをとることができたのでうれしかった。次は何があるんだろうとワクワクしました●司会が日本語ではなく英語で進めていたのがとてもカッコよくて国際語科らしいなと思いました●いきなりびっくりするような歓迎をされて、すぐに国際語科のアットホームな一面を感じました。雰囲気だけでなく実際に先生や先輩達の優しさも伝わり、とても楽しい対面式だった●先輩、先生、音楽も全部ノリがよくて楽しかったです。早くＩＬＣに慣れたいです●１年後、こういうふうになるんだなと思うと少し楽しみです。

学年の最初なので！ オリエンテーション期間、各クラスがホームルームの合間に中庭や教室で写真を撮る光景が随所で見られました。そのうちのいくつかを紹介します。
